2) Caulfield - 2 (9. m 5/123)

It is actually a defense of Nixon in which he alleges the CIA's intention - pretensions of what Caulfield says and asks if there were things he does wish he used. But I had checked Gaid, as with paper, that what me I said is what Caulfield had in mind a way, in fact quite accurate (Nixon reportedly behind gathering

Apple like a full-faced Nixon) Put Bosses Knowledge go. I got with 3-4 from 2/17/72 from Put Bosses Secret Service asking if he knew me and - had some of weeks - in
