

Dear Ed, while I had anticipated there would be a new edition of Executive Action after the movie, I did not anticipate that they would add "Special Material" or credit Jaffe. Can you please send me either the ad or a copy of the part of the edition saying this and if you know what this "new material" is? New material in a novel? And from Jaffe? You are right on Lane's capabilities, esp. as a showman...I did not see reporting that Ervin dropped Pentagon spying on White House story. Do you have it. Could that be the mysteriously dropped paragraph of that printed (hearings) memo? Nor do I remember that Nixon made a call to Colson which caused Colson to ask Hunt to set up a Bremer break-in. Do you recall the source... Your enclosure of a book ad seems to be of Marxist books yet includes Genstone. Whose ad, what source? Thanks
