

Dean on morning of week in unmarked -
ately, though Edson was involved
when he heard Hunt was involved through
Hunt's check on him of his knowledge
that Edson was all for burglaries, etc.
"Hunt had a very close relationship
with Mr. Edson."

"Hunt had a practice of reporting very
everything to Mr. Edson" Dean
says he saw in Hunt's file on 1/2/73
Edson's note "now what in

letter to Edson,
