

Had to go into town on errands this a.m. so  
got today's Post. Hours after it was due, no  
NYTimes again. From HR today, NYTimes 4/20.  
Looks like he'll be sending me everything  
from it. Enclosed UPI wire copy not copied  
because I don't know how much duplicates.  
Quotes from TV interviews not in Post. No  
rush on returning. HW 4/23/73
