

Chm 7/25/73 9 a.m. 1st hr. Legal debate on "inherent power" of Pres. in claimed

"not security" ~~etc~~ ^{rights} ~~rights~~ ^{rights}

Technology - man's home castle {no matter how humble a man's cottage, the King of England can't enter it without permission}

"I'm afraid that has been unacceptably entered on the years, hasn't it?" Ekm laughed in response

Young also had "experience with New York (LIT's book) in the

^{break-in 9/3/73 - Long Day week end}

7/24/71 Ekm New when 92 give book his instructions - being

strong directive. "matter of great priority" did not intend appearing

But in his statements upon said & did not intend appearing

illegal acts, & he takes the Ellsberg deal was illegal, as the President is

Arguing that he learned from a report to authorize his job, he did

nothing under law, the law I would not have been illegal

gained? Peterson's year-old knowledge on Fielding back in from 2 months

been 5-12 rph. Substantive affidavits from Peterson during way. Copies photos

delivered to DJ 10/72. Claims more nothing to D.J. Rem.

Colon - 1 hour Helmsman's "in. Nelson had a very strong

friendship wage" - after 109. Metz 1/3. 2 more raises, 1/5 & 1/25
after they heard from B. at work. When said he "retuffed" "what he took
to be "bullets" from Britman. When says "long process" in Dec.
"Popey taken from Harris's table" "I had no occasion to look at them.
I never saw them except as they were given to Pat Gray. On Thursday
in River - Metz to discuss what the matter was Gray's reply was,
"which was very in work" "I don't know, last week after I have been no
doubt of his will to help me. He was paid later. When "I do not
one it would have been better for me to "suggest this but in fact, his
don't let down to having no realization. He seems being a Metz
with them 6/21/73. Gray says "well that's clear enough."
Gray "He apologized for a couple of days" "What about trying his best.
Prophet from a friend (maybe Ann is Dean). Eln. suggested that
Dean had Gray take a fall in Elna's presence. Eln. said "nothing
during the whole meeting" (quite in private). Dean gave Gray a copy in
his presence. When with "politically very nice" "Every time Eln. says is
and always I work out about everything. 7/15/73 he spoke to Gray from
"I was in the President's EOB 8/11/73 with the President and
me to see me Gray & find out when the two were and what was in
them."

2) Gray Run had been "killed, I've destroyed the brood". Elm Run still
on the spot. Elm Run takes birds to full gray next to brood
"killed" but I was present when the birds were fed instead to eggs.
End 4. m. - mem.
