

7/27/73 - Ehr. 7.4

Wilson began a by putting down he was not showing a concern in Re "Mentence" & mailed him on 5/11/71. DUTY first performed.

Ehr. changed part on what he said yesterday. But after 9/20/71 the FBI changed. He was

8/31/71 Ehr gets favorable report on status - FBI "Special" from Lohr & Young's

Weather appropriate for the "university" ...

letter. Mother saw to it that the fees were set in 36 hours, "not over
the heads of my friends" - The 4127, Gray, husband, guest 4128.

cont. with Morgan's claims, not ~~with~~ with drawing from in error.

Says "to complete" case - when they hear a feel, personal confession.

Morgan? a begins with requests for "for checks by agency. with a check
D.J. what from us?
M. wants "to develop a profile of the members"

Ehr 7/27/73 4:41: In page 20. abbreviations H can be Hollensen or Hunt; Hunt

usually H.H. L sometimes likely greek symbol "rho" = ρ = ρ L

quest. may be saying, "Strom was pushing the creep story project to
"go forward forward",

May. quest. Hunt is saying he was a commitment to "go forward"

M. Wolfe's question - creep story - Portland to be under Hunt
might be by William Sloan + others took it off, or someone was needed,
not word needed.

Hunt's request: "Prime contact." Hunt's original Eureka project also
linked with others - tribes

Likely - after finding he was disappointed "because Dr. Pass. wanted to go on"
with - "long planning" although they have good hands, Ehr's decision checking
on M. Wolfe. He has with Reimbrach, he - meeting him in E's car in.

could not in E's office
Ehr's report & Pass was "complex." Let's. in. 7/15/73

PM 7/27/73 Monday? There Ehr & I were in action in the
big office "Interceded with May (Ehr) with his story. May, M. Holt & Pass
involved in some planning & approval of work-in-to Pass such projects (7/73)
May involved Cohen, Dan St. and on case (Hollensen?)

"I have found no much more of Rose Kennedy than I ever did of the WHH"

After going through with someone, he found it hard to deny's nature when asked "Then why was your concern about Mr. Hunt's Wehrmacht?" He stated to know when he asked on his desk - very quickly, then went into the desk, Ehr was then asked by a call for a vote & he never after was Monty's asked not to "Wehrmacht" but that "Germany" then Monty's would more. So, Ehr would up going with a letter on what the committee is not supposed to do - even for - which Ehr was wrong. Melicher? To Wehrmacht's dirty work. Not connected with 1972 Ehr claim. Disting wishes to know "major" and "not major" just question. Charles Tracy. Oak

On top it is necessary to prefer to play on the front. One of all politicians should state so for GL could speak it around.

1/18/73 committee interview - photos deep that need not all not heart of 1/18/73 & Durborg in Monty's investigation. Ehr - 1/18/73 committee on, then on 1/18/73, when they is before front. Some. Grey goes into the his admission every thing to the FBI - what giving head.
