

Will the real Gerald Ford please stand up?

For months the media have painted President Ford as "Honest Jerry"—the man who is going to retrieve our lost ideals.

He was everybody's hero. He was, that is, until the shocking betrayal of his own pledge not to pardon Richard Nixon until Mr. Nixon had had his day in court.

But President Ford was never a hero to Robert N. Winter-Berger. Winter-Berger knew him "when" . . . and knew well.

Get a *different* perspective on the man who is President of the United States.
