

Murkin on demonstrators - Wearing 1120 pm

That shall close as ant AG 114 Sec.

No injunctions on demonstrators. "A fear that been on
event since prior to this administration" hurled them.

AG court room under Dept AG. DC's under Mayor
His role in civil disorders" as to "justice important to"
to governors - to guarantee again over most of state governments!

AG has to "show the President whether the state of
injunction is such" that US has to respond under 4th
amendment. He does not do foreign but when a
real & non-existent "state of injunction" & some bodies
Crazy political snafus

He has accused according to those who were FBI's
Division 5 - domestic internal security - Hardean's attorney

"was a breath of fresh air"

He of May "both worked in the same building"
(FBI division 6 in Montreal)

When I get there, Div 5 had decided to react with
"matter" constitution has not meant to be suicide pact"

There is "certainly not" but graduated him.
Age division still like he become leader professional personnel -
judges about 50. when he left, de liche says 90 when he come,
158 when he left. His figures Congress only. Explained by transfer
