HOWARD HUNT

Dear Mr. Weisberg:

Thank you for your continued interest in my case which, you know, has been appealed.

I have forwarded your letter to my current counsel for its interesting comments.

As for Szulc, one can only speculate on his motivations. One hears rumors about such people but ~~knows~~ they are difficult to document for obvious reasons. He has certainly been a thorn in the anti-Communist side for many years.

I did not read his book nor Woodward's review of it as I am trying to concentrate on positive things.

Sincerely,

11120 RIVER ROAD
