A former FBI agent reads this  
Memo's "Memo's": Baldwin was a Democrat (he was  
fired by his former boss) just found out about at Demo!

Liddy had been washed - folks in W.G.  
His "instructions" to Baldwin, to "pick up & get moving"  
& not to go to McLean's home. Says Baldwin just  
"abandoned" the DC address he delivered to wife who  
lives near above B track to DC.

When he spoke to Mel 7/73 re Baldwin, Mel  
deflected Baldwin, who had been rejected by CRP  
as being for help.

"Why did you plead guilty?" Illegal witness seized  
in full evidence. "2 hole books" - The names, the frequent

the partners of those who authorized "Gemstone"  
I hope? Side B "Photograph everything with a fly on it"  
instructions to "your photographer"

"Seamy" - what these were? "McLean, me" in them.

E. H. Stolz, Beard, Edle taking all he gives  
"I was sitting in the instructions of a former WH official  
in each case"

"Massive large-scale collection program" to have  
been begun many locations.

I hope fields off failures - all - who was "successful"? Fiddling  
(only "unproductive") 1st W.G. date.

Whom, etc, suggestion of "one of Mrs. Liddy's papers."

Went to 1/4 in B. Baldwin's under "Mr. Rep. Mason"

2) Man in contact with 3 others  
Ellis King & W.G. - dealt solely with Barker  
did he "understand" he still had "official position" of Barker  
Barker knew he was at WH & wrote Barker on WH letterhead.  
B. visited his office.

Orders to Barker: J.E.H. - Hunt, who got from Lilly.  
Barker "did not deal in directly with me in these matters".  
Because B also had contact with Lilly. B thought he  
was "working for an official of the U.S. govt."

Maxis Murray Hoffman's earlier speech - Barker  
says day before Hunt showed. Hunt says he did  
not know contents of speech before made but asked  
Barker to get forgiveness of approval secret.

Can't explain why he asked this if he had not  
known what the speech was to be about. Wrote Soke  
asks says "The question is not clear to me Hunt"  
asks next. Lilly told him what Hunt would say & what  
he got forgiveness. He assumed Barker would do nothing  
with no questioning. Barker, Hunt, Lilly

Funny business on cables. Any reporter would

whole thing would have come apart hardly  
Why didn't Lambert - who did Tykeup

John Liddy" During Weiden about 4:50 p.m. when  
looking at a list of payments I asked about a dis-

in his safe at ECB, which had come <sup>from</sup> Liddy
