Clark Denies

Plans to Prosecute Garrison

WASHINGTON — (UPI) — made such a statement in sity of Virginia's student le-ment."

Attorney General Ramsey Charlottesville, Va., Friday gal forum. Clark

Clark denied yesterday that he had said that he would prosecute New Orleans district attorney Jim Garrison.

Clark said a report that he clark said to have to the report, that Garrison "took a perfectly fine man, Clark said a report that he clark said a report that he clark said to have to the report, that Garrison Clark said a report that he clark said to have made the remark during an Clark said a report that he clark was said to have made the remark during an Clark said a report that he clark said a report that he clark said to have made the remark during an Clark said a report that he clark said a report that he clark said a report that he clark said to have made the remark during an Clark said a report that he clark said to have made the remark during an Clark said a report that he clark said to have made the remark during an Clark said a report that he clark said to have made the remark during an clark said to have made the remark during an clark said to have made the remark during an clark said to have made the remark during an clark said to have made the remark during an clark said to have made the remark during an clark said to have made the remark during an clark said to have made the remark during an clark said to have made the remark during an clark said to have made the remark during an clark said to have made the remark during an clark said to have made the remark during an clark said to have made the remark during an clark said to have made the remark during an clark said to have made the remark during an clark said to have made the remark during an clark said to have made the remark during an clark said to have

Clark said he never made the statement about Garrison and Shaw and stressed that the Justice Department had no plans to prosecute Garri-

A Justice Department spokesman said that Clark "discussed this matter hypothetically in response to a question. He stated no conclusion."
