

## New subscriber in New Orleans

Gentlemen:

We have received the two complimentary copies of your November 17, 1967 edition and wish to thank you personally for your thoughtfulness in sending these to us.

Since we have received several requests for reprints of this speech, I would like to obtain about 50 additional copies of your paper. Also, I would like two copies of the edition for the week of November 24 for my personal use. Please bill us at the above address for whatever expense is involved and I will mail you a check promptly.

Thank you again for your courtesy.

Sincerely,  
Jim Garrison  
District Attorney  
New Orleans

PS—Your photographs were particularly good. Would it be possible for you to send us copies of them? Let me know cost.

I also would appreciate it if you would put my name down for a year's subscription to the Free Press. Many thanks. —JG.
