'Unknown Murderer Killed JFK'

PARIS — (UPI) — Herve Alphand, former French ambassador to Washington, said in a privately published book he believes President John F. Kennedy was killed by an "unknown murderer."

Alphand, who was a friend of Kennedy's and now is secretary of state in the French foreign office, made the comment in the introduction of a book of important Kennedy speeches.

"Kennedy, the true image of a modern chief of state, was stupidly killed at the threshold of an already startling career, by the bullet of an unknown murderer," said Alphand in the book.

He makes no further comment.

Alphand is said by the weekly magazine *Candide* to have given the first copy of the book to Mrs. John F. Kennedy.

Only 300 copies are being published. They are being sold at prices ranging from \$300 to \$1000.

Tip to FBI By Oswald Charged

NEW ORLEANS — (AP) — Lee Harvey Oswald tipped the FBI five days ahead of time that an attempt would be made to assassinate President John F. Kennedy in Dallas, Dist. Atty. Jim Garrison claimed today.

Oswald has been identified by the Warren Commission as the man who fired the fatal bullets into Kennedy. Garrison contends Oswald was a "Patsy."

At a news conference Garrison, who has been conducting a controversial probe into the assassination for more than a year, said Oswald was a Central Intelligence Agency agent. He added that he had evidence the final meeting of the conspirators took place on Nov. 17, 1963.

"That day," Garrison said, "the FBI sent out a TWX (interbureau telegram) announcing that on Nov. 22, an attempt will be made to assassinate John F. Kennedy in Dallas."

The telegram, he claimed, "went to J. Edgar Hoover (FBI director). What came down to President Kennedy you can judge for yourself in that he was allowed to ride without a bubbletop (on his car) in that parade in Dallas."

He said Edgar Eugene Bradley, 49, of North Hollywood, Calif., one of the two men he has charged with conspiracy to assassinate President Kennedy, had in 1964 tried to work up support in California to elect Hoover president.
