

## Marcello's Son To Appear in Assault Case

Joseph C. Marcello, 827 E. William David pkwy., Metairie, was ordered to appear in court tomorrow to answer a complaint about a reported assault. Police identified him as a son of Jefferson Parish rackets figure Carlos Marcello.

Jack Graffanni, 820 Poland, told police he was beaten about the head by two men who jumped into his car in the 600 block of Iberville late Tuesday night, police said.

Police said Graffanni gave them the license number of the car he says the men drove away in.

Police reported an officer spotted the car in the 200 block of N. Rampart the next day and was getting ready to impound it when Marcello approached. Marcello agreed to present himself to police the next day if the car was not impounded, police said.

Marcello kept his word and appeared today. He was then ordered to come to court tomorrow, but it was not clear whether he was actually booked for any crime.

Police said the car with the license number Graffanni gave them is registered to Carlos Marcello of Jefferson Parish.
