

A Deal to Oust Thieu Reported

Paris - (UPI) - A French newspaper said today the United States in secret negotiations has accepted two key peace demands of the Vietnamese Communists, including replacement of South Vietnamese President Nguyen Van Thieu.

In a dispatch from Washington, the newspaper France-Soir said the U.S. concessions were offered by presidential adviser Henry Kissinger in a secret meeting in Paris early this week with Hanoi's Le Duc Tho.

[Insert says State Department denied the report, but that there was no official denial on reported Kissinger-Tho meeting.]
