**Nixon's
Radio Talk
On Weekend**

Washington

President Nixon will make the third in a series of campaign radio speeches this weekend, the White House announced yesterday. *WED.*

Press Secretary Ronald L. Ziegler said the speech would cover domestic issues.

Ziegler did not announce the date or time for the speech which will use radio time purchased by Mr. Nixon's re-election committee. Ziegler earlier indicated the address would be made today. He gave no reason for the postponement.
