

New Post Likely For Connally

[L.A. Times Svc]

.....

Far more radical cabinet shuffles were contemplated, it was learned, including naming Henry A. Kissinger to be Secretary of State and bringing the present secretary of state, William P. Rogers, into the White House on Mr. Nixon's staff.

.....

Kissinger may become uneasy in a White House that includes a Connally with a mandate for activism and with presidential ambitions.

Kissinger is understood to have had difficulty working with the Texan who, as Mr. Nixon's Treasury Secretary, made forays into international diplomacy via the world economic and monetary negotiations a year ago.

.....
