

Sloan Is Only Scheduled Witness Today

Washington.

Hugh W. Sloan Jr., the former treasurer of President Nixon's re-election campaign committee, is the only witness scheduled to testify before the Senate Watergate committee today.

Herbert L. Porter, scheduling director for CRP, and Powell Moore, former deputy press director for CRP, are to testify tomorrow morning.

Former Commerce secretary Maurice F. Stans, chief fund raiser for the Nixon campaign, may testify tomorrow afternoon, but he has been indicted in New York City in another case, and has been instructed by the judge in that case to avoid any pre-trial publicity.
