Lester Maddox

Was There—

'Getting Mad'

Washington

Former Georgia Governor Lester Maddox sat in on the Senate Watergate hearings yesterday as a guest of Senator Herman Talmadge (Dem.-Ga.), a member of the committee.

Maddox said he was in town on business and stopped by to watch the proceedings.

Asked what he was doing, he said, "Gettin' mad."

Maddox said he believes President Nixon "was in on the coverup" of Watergate.
