

Highlights of Impeach Debate In Paperback

New York

A paperback book on the highlights of the House Judiciary Committee proceedings that recommended the impeachment of President Nixon was being distributed across the country yesterday 36 hours after the committee's adjournment.

Entitled "The Impeachment Report," the book is a joint project of United Press International, the World Almanac and the New American Library Publishing Co.

The 320-page indexed book, which has an initial printing of 750,000 copies, began coming off the presses of the W. F. Hall Printing Co. in Chicago early yesterday. It is a Signet special and has a cover price of \$1.95.
