Nixon's Birthday

Former President Nixon and his wife Pat posed for a picture Saturday on the eve of Mr. Nixon's 64th birthday. He spent yesterday at his San Clemente home watching the Super Bowl foot-

ball game with his wife and friends. It was Mr. Nixon's third birthday at his home since his resignation Aug. 9, 1974, in the wake of the Watergate scandal.

Same photo, NYTimes, 10 Jan 76, p. 1, with caption: "CELEBRATING A BIRTHDAY: Former President Nixon, who was 64 yesterday with wife, Pat. The Nixons spent Sunday [9 Jan] in San Clemente with friends." No story.
