Harrisburg interview from Pacifica: different and good to know. Didn't see it in papers here. If you did for me, thanks. If you want it back (No note on it, I have it in a separate file. Same for the new Justice concern for the rights of prisoners, which I'll have in my Attica file. Reform after all these years. Government by coincidence. I think that San Q did it, and they didn't start until then. Again thanks, HW
