Have NYTimes News Service  
9/5 from Denver, by Rip-  
ley, on Kaplan case, so if  
you planned to copy, do not  
bother. Fascinating new  
details and characters.  
JG thought Joel was some-  
how involved in LHO's  
Mexican trip, which would  
be a considerable accompi-  
shment for LHO or JK, con-  
sidering JK was already in  
jail and it is known that  
most of LHO's time can be  
accounted for without  
that, if ti could have  
served any purpose.
