1/8/73 The sniper in N.O. has taken a neavy toal, the story was played heavy on radio and TV everywheee, a arently, but it was business as usual at WWL. Ha ing heard its news JAN 8 197 bed I decided to see what new they'd air. It was just before the hour. Wasn't cure I had that Jesuit property when I neard Billy Graham. Hadn't tried to tune it in since 1970 but They had Billy. Then, with four minutes on the event, the entire newscant, back to another is a more violent black protest, conditions having gotten to the point where those involved feel death is worth the effectiveness of the lesson they hope to teach. The only laternative of which I can think is that all are insane. takes me regret nothing happened with Desire night's accounts. It seems apparent that the nen are skilled in the use of their weapons no attention. Even if accross the street from Rault's Bldg, which I think is the case, and only
