letter report in My source,
has info

Dear Jim, Well, you've done it for me and thanks! The cookie has crumbled. We had a visit from our friends the Mias Xmas day. They brought me Scotch and Lil a box of fortune cookies. We had friends over for dinner last night. Lil's first cookie opened into, "You will make a fortune with your friend." So, thanks again. Mine was, "Hobby is a lot of work you wouldn't do for a living."

On a more serious note, I've obtained some of the drafts of Bill Salter. He is heavy on the L L & L / Frank Liberto (McFerran)-Mafia line, with other very interesting approaches that have sources not indicated in what I have. Does the name Sam DiPianza, New Orleans, mean anything to you? Crenshaw was in one some meetings, one with HHH after assassination. Salter had access to a police source. He also picked up what I have tapes on, advance knowledge by cops that King would be assassinated. You ought not take time for this now. The typing is very ~~pink~~ pale, meaning reading is slow and hard. But at some point in the future you will want to go over this. By then I may have/know more. This is a reminded so we can discuss it in generalities. Interesting as this other, other needs take precedent, I think. HW 12/27/74
