Dear Harold:

Just a note to let you know that to date we've received from lesar two things: 1, the WH Nov. 26 analysis, index and particularized claims of executive privilege for subpoenaed materials, and 2, Gore Vidal's thing on E. Howard Hunt in the Dec. 13 issue of the New York Review of Books.

I believe you also said he was going to zerox the WG committee staff summary on Hunt which you obtained from Weicker, but this has not showed up yet. By all means, don't press him. I have some idea of just how busy he is. But when and if he does have time, we would be glad to have the WG staff summary on Hunt.

Also, please either make sure he has been repaid for any expenses involved in any or all of these things, or let me know how much is needed. I suspect strongly that the small sum I sent you recently for these purposes by now must have been used up. Don't forget , and thanks.

I'll be writing more quite soon on another matter. Been a bit tied up with various things.

Best,

jdw
