

Dear Jim, Your mailing of 7/24 has two cancellations, San Rafael 7/24 on the front and U.S. Postal Service 640 Jul 26, 5 PM 1974 on the back. It came yesterday, when I was away for a funeral in the family. This may be typical P.O. efficiency but I note the fact. Haven't read it yet because once I was home I stayed up until the second impeachment vote and then, as the enclosed letter to Edwards shows, responded to him before daylight, which is now here with fog that means I'll have to leave earlier. Thanks. Hope Je is snapping back well. Best, HW 7/30/74
