

JDW- Last night's GL press conference, in which I think that accidentally or otherwise he slipped up a bit, is probably too late for inclusion in today's WxPost, at least the text. I have asked Lesar to try to get the late edition of the NYTimes. If it has the text and if he gets it and if the Post does not have it, I'll let you know in the event you want it. I do think it is important and that among the new admissions is specific knowledge that there had been payoffs for obstructing justice without aking any action, or misprison of a felony. Can't be sure without checking but think he confused 3/19 and 3/21/73. If I'm wrong, 3/21 still day Sirica got McCord's letter. HW 3/7/74
