

On the Post's coverage Mao's death
we will be sending their own stories
on the theory that they can include
other than the routine and we now
really do not know what is routine
on this story. Started a new 3cl
envelope today. Mailed a fat one
this a.m. Forgot it yesterday. I am
inclined to believe that in mere
skimming you can determine whether
it hold anything of avalue for you
as I cannot. It won't last that
long now anyway. Best HW 9/14/76
