

Hearings on Attica Revolt Will Be Broadcast Live

Live coverage of the McKay Commission hearings on the Attica Prison uprising will be provided this week by Channel 13 and radio station WRVR-FM.

The hearings, which will be held tomorrow through Friday in Rochester, will be carried on Channel 13 from 10 A.M. to 12:30 P.M. tomorrow and from 2 to 5 P.M. on Thursday and Friday. WRVR said it expected to cover the hearings from 9:30 A.M. to 5:30 P.M. on all three days.

Forty-three inmates and hostages were killed last September when the prison was stormed after being held by the prisoners for five days.

The commission will begin two weeks of hearings in New York on Monday with WRVR again providing full live coverage.
