Judge's Warning On Illegal Wiretap

Harrisburg, Pa.

A Federal judge told the Government yesterday it cannot use illegal wiretaps to substantiate or gather more evidence in its continuing probe of an alleged plot to kidnap President Nixon's foreign affairs ad-

The Government said it was doing everything lawful- to dismiss subpoen as for ly.

"We are aware of the consequences if we present illegal evidence," William S.

Lynch, the chief Government lawyer in the case, told U.S. District Judge R. Dixon Her-

court, or not ordered in the interest of National securi-

The denial came in oral argument on a defense motion more than 30 witnesses summoned to testify before a grand jury on grounds they would be asked questions D.C. All pleaded not guilty.
