Correction:

**Joan Hitchcock
and JFK**

In the concluding paragraph of our December 27, 1975 article on Joan Hitchcock's association with President Kennedy, our use of the figure 108 unfortunately was ambiguous. We are advised that the figure was intended by Mrs. Hitchcock only as an estimate of her chronological place on the list of 1600 women Time magazine attributed to Kennedy by the time he was president. Any other implications are erroneous.
