Chilean Refugees to Enter U.S.

Washington - The United States is preparing to admit a sizable number of ~~xxxx~~ political refugees from Chile, the State Department announced yesterday....

[In testimony 12 Jun before the Senate Judiciary Committee, William D. Rogers, assistant secretary of state for inter-American affairs,] said, "It is inconsistent to seek cooperation from international organizations and other countries on the Vietnamese refugee problem if we refuse to lift a finger to help the Chileans." ....
