

Witness in Kennedy 'Plot' Is Seized by Ohio Police

COLUMBUS, Ohio, April 1 (AP)—Gordon Novel, wanted in New Orleans in an investigation of President Kennedy's assassination, was arrested Saturday in suburban Gahanna.

Gahanna's mayor, Paul Van Auken, said Mr. Novel, a 29-year-old former New Orleans night club operator, had been seized on a street on a warrant issued by Louisiana authorities.

Jim Garrison, New Orleans district attorney, obtained a warrant for Mr. Novel's arrest last week as a material witness in the investigation of an alleged plot to kill President Kennedy.
