

Warren Positive on JFK

TOKYO — (AP) — Chief Justice Earl Warren said today he never has seen a single fact to contradict the Warren Commission's report on the assassination of President Kennedy.

"I have found no facts that contradict in any way our report," he told the Tokyo Foreign Correspondents' Club.

He added he has "absolutely no doubts" of the report's accuracy.

Asked about the investigation by New Orleans District Attorney Jim Garrison, Warren said:

"I've heard that he claims to have such information, but I haven't seen any."
