

IS THE UNITED STATES OF AMERICA DEAD?

HAS THE REPUBLIC BEEN TAKEN OVER BY A CLIQUE WHILE WE, THE PEOPLE, CAREFULLY LOOKED THE OTHER WAY?

ARE WE BURIED UNDER A TOMBSTONE READING: USA—1776-1963?

CONSIDER THE FOLLOWING:

All polls reveal that some 90% of the American people do not believe the Report of the Warren Commission.

Opinion elsewhere in the civilized world—almost unanimously—is that the assassination of President Kennedy was a COUP DE ETAT and not the work of a deranged individual.

Literally DOZENS of material witnesses in the case have been murdered or have died under suspicious circumstances.

Publications of various opinions (LOOK, LIFE, STAURDAY EVENING POST, RAMPARTS, NATIONAL REVIEW, etc.) have called for a new investigation.

President Johnson, who was vice-president until promoted by the assassins, has taken it upon himself to lock up pertinent evidence much of which was never seen by the Warren Commission, in the National Archives—to be released to the public only after everyone now alive is safely dead.

ARE WE RESPONSIBLE CITIZENS?
DO WE WISH TO GOVERN OURSELVES?

MASS MEETING
