~~BUR~~ BURNEY, Calif. (AP)- District Attorney Jim Garrison of New Orleans has issued subpoenas for two more California men, but the documents apparently have not yet reached either of them.

↳ Signed Monday in Garrison's investigation of the assassination of President John F. Kennedy in 1963, one of the subpoenas summons Dr. Stanley L. Drennan of Los Angeles to appear to testify before the Orleans Parish Grand Jury May 29-30.

↳ In Los Angeles, Dr. Drennan, a ~~physician~~ physician, said ~~he had not received the subpoena and refused to comment.~~ he had not received the subpoena and refused to comment.

~~The~~ ~~physician~~ ~~he~~ ~~had~~ ~~not~~ ~~received~~ ~~the~~ ~~subpoena~~ ~~and~~ ~~refused~~ ~~to~~ ~~comment.~~ Garrison contends Dr. Drennan was present at a 1963 discussion concerning ~~the~~ the assassination.

↳ A second summons directs a Clinton Wheat of Burney to appear to testify on the same date as Drennan, alleging that he took part in talks at his home about a proposed assassination.

↳ The post office box number ~~for~~ for Wheat turned out to be that of the National Chronicle, a right-wing weekly published here by Hal W. Hunt. h

↳ Hunt said he had met Wheat twice and had sent him his weekly for a time but that he had discontinued ~~it~~ sending it ~~last November~~ four months ago. He did not say why.

↳ Hunt said that Wheat never had lived in Burney and that he thought he ~~had~~ lived ~~in~~ ^{at} Tule Lake, near the Oregon border. Hunt described him as a construction worker about 65 years old.

↳ ^{Wheat's} ~~Wheat's~~ name could not be found in the telephone ~~directory~~ directory for Tule Lake.

↳ However, when a local radio station broadcast a routine news story of the subpoena for Wheat, a resident of ~~the~~ ^{this} relatively remote area in northeastern California called in and said Wheat had been seen within the past three weeks. The called ~~person~~ insisted upon anonymity, the radio station said./
