

## Dr. Morrison Considered For Coroner

New Orleans physician Dr. Benjamin O. Morrison is reportedly being considered by Gov. John J. McKeithen to fill the unexpired term of the late Orleans Parish Coroner Dr. Nicholas J. Chetta.

Democratic National Committeeman J. Marshall Brown said he has recommended Dr. Morrison, brother of the late Mayor Chep Morrison, to the governor.

"I would prefer to have Dr. Ignacio Medina as coroner," Dr. Morrison said, "but if the governor asks me to do it, I could do nothing but accept."

Dr. Morrison is presently clinical assistant professor of medicine at the Louisiana State University Medical School, senior associate at Touro Infirmary Department of Gastroenterology and is on the staff of the Southern Baptist Hospital.
