Silent on Retaliations

WASHINGTON, Dec. 21 (AP)—A spokesman for the Pentagon, Jerry W. Friedheim, was asked today about reports of retaliation raids against North Vietnamese bases by United States warplanes. He said he did not want to anticipate anything but at the same time did not "want to foreclose anything."

Mr. Friedheim said any announcements would come from the United States command in Saigon and added, "We will not presuppose anything from here."

Cambodia Reports Gain

PNOMPENH, Cambodia, Dec. 21 (AP)—A Cambodian task force reported breaking through today to relieve a garrison besieged for 10 days on the northeast Cambodian front.

Field reports said that Cambodian troops driving north had reached the garrison at Prakham, 45 miles northeast of Pnompenh, the Cambodian capital.

The rescue force was part of a 7,000-man operation aimed at clearing the blockades of Prakham and the neighboring town of Taing Kauk, which has also been cut off for 10 days.
