The Refugee Strategy

by T.D. Allman

[On the "deliberate production of
refugees" as a matter of policy.]
.....

Official U.S. concern with the
victims of a 20-year refugee policy
dates from last week. President
Ford's "mission of mercy" [Operation
Babylift?] is merciful principally to
Americans. It camouflages
responsibility for uprooting more
than 12 million people in the
satisfaction of providing spare
bedrooms 8,000 miles away for
children who will grow up in an
alien society.
