Will Recognize Saigon Change

Agence France-Presse

BANGKOK, April 28—
Thailand will recognize any
future government in South
Vietnam, Thai Foreign Min-
ister Chatichai Choonhavan
told reporters in northeast-
ern Korat Province Sunday.

According to a mass-circu-
lation daily newspaper here,
he said Thailand also
wanted to recognize the gov-
ernment of North Vietnam,
but moves toward recogni-
tion had been stumped by
North Vietnam's precondi-
tion that all American
troops be withdrawn from
Thai soil first.
