## **Viet Refugees Demonstrate to Show Thanks**

FT. CHAFFEE, Ark., June 22 (AP)—Carrying signs saying "Only Viet Cong wish living under Communists," between 400 and 500 refugees demonstrated today against efforts by other refugees to be returned to South Vietnam, an Army spokesman said.

Other signs displayed during the hour-long demonstration said, "We are grateful to Americans for their assistance," "Down with Communist lackeys who frustrate Vietnamese refugee resettlement," and "Don't threaten and force the other refugees to return to Vietnam."

Col. Joe Rogers said the demonstration — and a smaller one Saturday — were sparked by the requests by at least 160 refugee families at Chaffee to return to Vietnam. Those 160 families, and refugees at the other refugee relocation camps, are scheduled to leave for South Vietnam later this week. SFC
