### **Eangkok**

The United States and Thailand announced agreement yesterday to pull out 5000 U.S. servicemen and 70 aircraft from Thai bases by the end of this year as part of a phased withdrawal of American forces scheduled to be completed by March 20.

They also announced that Udorn Air Base in the northeast, where about 3700 U.S. servicemen and about 70 aircraft are currently stationed, would be closed by January 31.
