

IF NOT NOW, WHEN?

(TALMUD - PIRKE AVOT 1:14)

THE WAR HAS COME HOME; THE SOLDIERS HAVE NOT. Our sons and daughters, our brothers and sisters, wounded and slain at Kent State, Jackson State, and Augusta have joined the unending list of casualties of the expanding war in Southeast Asia.

We demand the immediate end of American involvement in Cambodia and Vietnam. We support the Hatfield-McGovern Amendment, cutting off all appropriations for continuing hostilities, and any other congressional efforts to end the war now.
