Kent State Tragedy

To the Editor:

In "A Doctor's Letter to His Son" (Op. Ed. page, Nov. 12), Dr. Paul Williamson made one crucial mistake in his analysis of the Kent State tragedy.

His "sweet little girl," be she Alison Krause or Sandra Scheuer, was not a revolutionary, nor was she "contesting the ground" with the National Guard. The true tragedy of Kent State was that the four murdered students were innocent bystanders.
