## Officer Cut Off In Melee

The fighting that swirled around the top of Nob Hill yesterday injured more than one San Francisco police officer. Among them was Patrolman William Navin, who had left his three-wheel motorcycle to direct traffic at Sacramento and Taylor streets.

Suddenly Navin was surrounded by protesters without a fellow officer nearby he could call on for help. Five youths jumped him, ripped off his helmet and beat. Witnesses said he was hit with, among other things, a flower pot.

Navin was taken to Mission Emergency
