

5 May 72

from Herb Caen column:

..... Same day [as Nixon visit to Connally ranch, 30 Apr 72], an Army advisor in Vietnam, Major George H. Watkins Jr., one of the last to leave Bong Son as it fell to the Reds, said "When the Communists were here before, from 1945 to 1954, the people didn't have much to eat or good clothes on their backs but morally they were happy, because the Communists brought justice to this land, not the corruption we have here now."

Heresy! Get that man out of the hot sun!
