

NYTimes MAY 2 1975  
Government by the Worst

To the Editor:

It is a sad commentary that Bernadine Dohrn of the infamous Weathermen [Op-Ed April 18] makes more sense than our country's Secretary of State.

Perhaps it is an unneeded reminder that for more than five years, the United States has been ruled by what Mrs. Byrne's Dictionary calls a kakistocracy, government by the worst citizens.

DAVID B. MCCALL

New York, April 18, 1975
