A Liberal Party Leader A Liberal Party Leader Pleads Guilty in Disorder NOTHESSER, Sept. 6 (UPI)-Raphael Martinez, chairman of the Monroe County Liberal party, entered a guilty pleat to-day in State Supreme Court here to charges stemming from a disturbance on the Hobart College campus in June, 1970. He pleaded guilty to three counts of disorderly conduct and one count of harassment. Five other persons also charged in connection with the disturbance entered guilty pleas last December after a jury failed to reach a decision on their case. Mr. Martinez said he "could no longer afford to continue the court battle." In the disturbance, militant students claimed that a po-lice undercover agent, Thomas (Tommy the Traveler) Tongyai, had taught them how to make fire bombs.
