

U.S. Raids Condemned by Chinese

by Tillman Durdin

HongKong, April 10 - China expressed indignation today at increased attacks by United States planes and warships on North Vietnam and reiterated her support for the North Vietnamese in their opposition to the American actions.

.....

It is customary for the Chinese authorities to back up formal North Vietnamese Foreign Ministry statements on the Vietnam war with supporting Peking Foreign Ministry statements. Today's Peking declaration, appearing four days after last Thursday's <sup>6 APR</sup> North Vietnamese statement, was unusually long in coming.
